In response to the unprecedented Covid-19 (Coronavirus), **The Big Event scheduled for March 21, 2020 is formally postponed.**

Due to the fear surrounding the crisis, we believe this to be our only prudent decision. The welfare of our vendors, guests, and community are of the utmost importance to us!

We have tentatively set June 20, 2020 as our make-up date. This is a conditional date as we have not yet confirmed the venue or several other significant details. You have our commitment that we will confirm this date OR cancel for 2020 on or before May 22, 2020.

With our revised date, every vendor will retain their current booth.

We are grateful for your understanding and flexibility as we continue to closely watch developments and advisories as they are issued by the CDC and State Department.

Finally, please do not call or email the LOABA office asking for more information or updates. That team is focused on unwinding the March event and attempting to recreate an equally amazing day in June. As we have additional information, we will share it with ALL of our vendors and sponsors via email just as quickly as possible.

Thank you,
