LEVEL 1-A RECERTIFICATION

Erosion & Sediment Control Re-Certification Seminar

Earn 4 Continuing Education Credit Hours

Instructor - NPDES Trainer

When can I become re-certified?

Individuals can begin taking continuing education courses one (1) year before their certification expires. **NOT ONE DAY EARLIER THAN 1 YEAR**

What if I allow my certification to expire?

Effective July 2013 those individuals that fail to obtain at least 4 hours of continuing education prior to their expiration date (or within 90 days after the expiration date) may take this 4 hour course to recertify their expired card no matter their expiration date.

Will there be a re-certification exam?

There will be no exam for re-certification. To become re-certified, individuals must attend a course or courses totaling 4 hours of instruction.

When will I receive my new certification card?

Individuals will receive a new card that will extend their certification for another three years. You should receive your new card about two (2) weeks after the class.

A Course book will be provided and is included with the cost. If you would like to order the updated 2016 Field Manual at half price (\$10.00) you may do so by letting the LOABA office know ASAP and bring a separate check for \$10.
